6. Plaintiffs have to date received more than one million documents comprised of tens of millions of pages, much of which was produced on an accelerated schedule. And the number of documents produced will grow as Defendants and non-parties complete their document productions over the coming months.

7. Plaintiffs have also produced over ten thousand pages of documents in response to Defendants' requests for production, which required complicated remote collection procedures in the midst of the Covid-19 pandemic. Specifically, Plaintiffs made productions of documents in response to requests from Defendants on the following dates:

- a. December 8, 2020;
- b. January 3, 2021;
- c. January 25, 2021;
- d. February 9, 2021;
- e. February 24, 2021;

- k. May 18, 2021;
- l. June 28, 2021;
- m. June 30, 2021.

8. The Parties have also propounded interrogatories and served responses. Plaintiffs served their First Set of Interrogatories on Tyson, Perdue, and Pilgrim's Pride on December 4,

2020, and those three Defendants responded on February 16, 2021. Plaintiffs served their First Set of Interrogatories on Sanderson and Koch on April 29, 2021, to which Sanderson responded on July 1, 2021, and Koch responded on July 9, 2021. Defendants also served their First Set of Interrogatories to Plaintiffs on April 19, 2021, to which Plaintiffs responded on June 25, 2021, and June 28, 2021.

9. Plaintiffs propounded requests for admission to Tyson, Perdue, and Pilgrim's Pride on December 4, 2020, and to Sanderson and Koch on April 29, 2021. Tyson, Perdue, and Pilgrim's Pride responded to Plaintiffs' requests for admission on January 4, 2021, Sanderson responded on July 1, 2021, and Koch responded on July 9, 2021.

10. Plaintiffs' counsel have reviewed dozens of deposition transcripts from prior litigation.

### **The Settlement**

11. Negotiation of the instant Settlement with Tyson occurred directly between Class Counsel and counsel for Tyson.

12. I was the primary point of contact with counsel for Tyson for Plaintiffs during settlement negotiations.

13. The settlement was negotiated at arm's length and the negotiations were rigorous and extensive, often with proposals and counterproposals being exchanged multiple times in a single day, and with negotiations continuing late into the evenings, including on weekends.

14. Ultimately, Plaintiffs and Tyson were able to reach a settlement which culminated in a long form settlement agreement executed on June 30, 2021.

15. Class Counsel and counsel for Tyson agree that this Settlement is fair, reasonable, and adequate.

**Plaintiffs' Proposed Plan of Allocation**

16. All members of the Settlement Class for whom Plaintiffs possess sufficient structured data will receive a pre-populated form that includes their total payments over the Class Period. Those members of the Settlement Class will have an opportunity to respond to that form by either accepting those calculations or contesting them with their own records. If Settlement Class members do not respond, the amounts on the pre-populated form will be deemed accepted. This ensures that Growers representing approximately 86.5% of Broiler production covered by the Settlement Class will receive a distribution from the common fund even if they do nothing—without having to participate in a formal claims process, and without having to submit their own documentation, unless they so choose. This number will increase if Plaintiffs receive structured data production from certain additional alleged Co-Conspirators, as expected. For example, if Wayne Farms' agreed structured data production is made sufficiently in advance of the dissemination of notice to members of the Settlement Class, then an additional approximately 5.7% of the Settlement Class, for a total of approximately 93.2% of the Settlement Class, will receive a pre-populated claim form.

17. All members of the Settlement Class for whom Plaintiffs do not presently possess sufficient structured data or for whom Plaintiffs have been unable to make a determination about the sufficiency of their data yet—Growers representing approximately 13.5% of Broiler production covered by the Settlement Class—will have the opportunity to either submit their own documentation to establish their pro rata share or to answer a series of simple questions, through which a reasonable estimate of their total grower payments can be calculated using available data obtained from alleged Co-Conspirators or from Agri Stats, Inc.<sup>15</sup> Currently, these include Growers

---

<sup>15</sup> These questions will include primarily (1) the alleged Co-Conspirator Broiler Grow-Out Services

for:

- a. Wayne Farms: accounting for Growers representing approximately 5.7% of production volume. Wayne Farms produced its data on July 27, 2021, but Plaintiffs have not yet completed their review of its sufficiency.
- b. Fieldale Farms: accounting for Growers representing approximately 1.7% of production volume. Fieldale produced data for a portion of the class period on July 28, 2019, but Plaintiffs have not yet completed their review of its sufficiency.
- c. Claxton Poultry Farms: accounting for Growers representing approximately 1.1% of production volume. Claxton did not preserve structured data for the class period and such data will not be available to generate pre-populated claim forms.
- d. Keystone Foods: accounting for Growers representing approximately 2.8% of production volume. Keystone Foods was acquired by Tyson, and Tyson has agreed in the Settlement to produce certain reasonably available structured data for Keystone Foods' Growers.
- e. Case Farms: accounting for Growers representing approximately 2.0% of production volume. Case Farms has so far not produced complete structured data for all of its complexes in a usable format.

18. If it is determined that sufficient structured data has been obtained from Wayne, Fieldale, Keystone, and/or Case before the notice program has been implemented, Plaintiffs will generate a pre-populated form for those Growers consistent with paragraph 17, ensuring that even more of the Settlement Class will be able to participate in the Settlement as easily and efficiently

as possible, without having to take any action unless they so choose.

<sup>3</sup> By agreeing not to object to the proposed Settlement Class and appointment of Interim Co-Lead Counsel as Settlement Class Counsel, Tyson shall not waive any rights, arguments, or defenses, and Tyson expressly preserves all such rights, arguments, and defenses, including with respect to any situation where the Settlement Agreement is not approved in all material respects by the Court. In no way shall Tyson have waived any right, defense, argument, or position with respect to any other class (including any litigation class in the event the Settlement Agreement is not approved) in this Action or any other, and Plaintiffs shall not use this Settlement Agreement or any part of the Settlement Agreement in any way to support an argument that Tyson has waived any defense, argument, or position with respect to any other class in this Action or any other.

necessary Court approval. Tyson shall have no responsibility, financial obligation, or liability for any fees, costs, or expenses related to providing Settlement Class Notice; obtaining Preliminary Approval or Final Approval; or administering the settlement; other than for Tyson's own attorneys' fees.

- c. Tyson shall not object to Interim Co-Lead Counsel withdrawing from the Settlement Fund, subject to any necessary Court approval, up to \$250,000 to pay the costs for Settlement Class Notice.
- d. Interim Co-Lead Counsel shall use their best efforts to send out Settlement Class Notice within 30 days of Preliminary Approval (unless otherwise agreed between the Parties) to the extent consistent with the Court's wishes and the availability of name and address information from Defendants and alleged Co-Conspirators. If the Settlement Agreement is rescinded, cancelled, or terminated, or Final Judgment is not obtained, then whatever portion of the Settlement Fund that remains after payment of Settlement Class Notice costs (including payment of taxes) incurred up through the date of such election shall be returned to Tyson.

7. Motion for Final Approval and Entry of Final Judgment. If the Court grants Preliminary Approval, preliminarily certifies the Settlement Class, and approves the form and manner of Settlement Class Notice, then Plaintiffs, through Interim Co-Lead Counsel shall, in accordance with the schedule set forth in the Court's Preliminary Approval, submit to the Court a separate motion for Final Approval of this Settlement Agreement by the Court. A reasonable time in advance of submission to the Court, the papers in support of the motion for Final Approval shall be provided by Interim Co-Lead Counsel to Tyson for its review. To the extent

**EXECUTION VERSION**

that Tyson objects to any aspect of the motion, it shall communicate such objection to Interim Co-Lead Counsel and the Parties shall meet and confer to resolve any such objection in good faith. The motion for Final Approval shall seek entry of an order and Final Judgment:

- a. Finally approving the Settlement Agreement as being a fair, reasonable, and adequate settlement for the Settlement Class within the meaning of Federal Rules of Civil Procedure 23, and directing the implementation, performance, and consummation of the Settlement Agreement and its material terms and conditions, without material modification of those terms and conditions;
- b. Determining that the Settlement Class Notice constituted the best notice practicable under the circumstances of this Settlement Agreement;
- c. Dismissing the Action with prejudice as to Tyson in all complaints asserted by Plaintiffs without further costs or fees;
- d. Discharging and releasing Tyson Released Parties from all Released Claims;
- e. Enjoining the Releasing Parties from asserting, directly or indirectly, any of the Released Claims against any of the Tyson Released Parties in any forum;
- f. Confirming that Tyson has provided the appropriate notice pursuant to the Class Action Fairness Act, 28 U.S.C. § 1711 *et seq.* (“CAFA”);
- g. Reserving continuing and exclusive jurisdiction over the Settlement Agreement for all purposes; and
- h. Determining under Fed. R. Civ. P. 54(b) that there is no just reason for delay and directing that the judgment of dismissal as to Tyson shall be final and appealable and entered forthwith.

**EXECUTION VERSION**

The Parties shall use all best efforts to obtain Final Approval of the Settlement Agreement without modification to any of its material terms and conditions.

8. Escrow Account. The Escrow Account shall be administered by Interim Co-Lead Counsel for the Plaintiffs and Settlement Class under the Court's continuing supervision and control pursuant to the Escrow Agreement.

9. Settlement Consideration. In consideration for the release of Released Claims, the dismissal with prejudice of the Action, and the other material terms and conditions herein, within thirty (30) calendar days of the Court's grant of Preliminary Approval or after Interim Co-Lead Counsel have provided wire instructions to Tyson, whichever occurs later, Tyson shall pay or cause to be paid the Settlement Fund of \$21,000,000 (twenty-one million U.S. dollars) into the Escrow Account.

10. Cooperation. Cooperation by Tyson is a material term of the Settlement Agreement and shall include the following categories of cooperation.

- a. Cooperation Available Upon the Execution Date: (a) Within twenty-eight (28) days after the Execution Date, Tyson shall begin to provide written responses to Plaintiffs' Interrogatory Number 8, with complete responses due by August 13, 2021 (unless otherwise agreed between the Parties);<sup>5</sup> (b)

---

<sup>5</sup> Tyson shall provide a reasonable response to Interrogatory Number 8 based upon information learned from interviewing up to 30 individuals, to be selected by Plaintiffs from among Tyson's currently employed document custodians, currently employed complex managers, and currently employed live production managers. Further, Plaintiffs shall amend the definition of Competitive Data, as defined in Plaintiffs' First Set of Interrogatories to Tyson Foods, Inc., Tyson Chicken, Inc., Tyson Breeders, Inc., and Tyson Poultry, Inc., to include only the following types of information: (a) Grower compensation; (b) Grower contract terms, including arbitration clauses; (c) the number of chicks in a flock; (d) Broiler weight; and (e) the sex, breed, genetic makeup, and genetics company used for the primary breeder stock.

**EXECUTION VERSION**

within seven (7) days after the Execution Date, Tyson shall resume rolling productions of the supplemental document production agreed to by the Parties on or about April 27, 2021, with those rolling productions set to be completed on July 31, 2021;<sup>6</sup> (c) within twenty-eight (28) days after the Execution Date, Tyson shall endeavor to provide answers to Plaintiffs' outstanding questions regarding structured data; (d) within twenty-eight (28) days after Plaintiffs pose any additional reasonable questions regarding Tyson's structured data, Tyson shall endeavor to provide responses to those additional questions; and (e) within a reasonable period of time after the Execution Date, Tyson shall produce reasonably available structured data concerning Keystone Foods' Grower operations sufficient to identify Growers compensated by Keystone Foods for Broiler Grow-Out Services during the Settlement Class Period, and the amount of compensation paid to those Growers during the Settlement Class Period.

- b. Cooperation Available After Preliminary Approval: Plaintiffs shall be entitled to begin receiving all remaining cooperation following Preliminary Approval. Plaintiffs and Tyson shall agree on reasonable timeframes for Tyson to provide the remaining cooperation, cognizant of Plaintiffs' needs to obtain cooperation at an early enough juncture to be useful in deposition practice, expert discovery, class certification proceedings, summary judgment, and trial. Cooperation shall include the following categories: (a)

---

<sup>6</sup> Tyson shall, at its election, be entitled to produce documents that hit on Plaintiffs' supplemental search terms without a responsiveness review in order to reduce Tyson's production costs.

**EXECUTION VERSION**

reasonable, to-be-agreed upon productions of additional documents and electronically stored information; (b) Tyson's counsel shall meet with Interim Co-Lead Counsel for up to seven (7) hours, at an agreed upon location or virtually if in-person attendance is not possible or not desirable, and provide at that meeting a reasonably detailed description of the principal facts known to Tyson that are relevant to the alleged conduct at issue in the Action (the "Opening Proffer"), inclusive of the Bates Numbers of documents identified during the Opening Proffer; (c) Tyson's counsel shall meet with Interim Co-Lead Counsel for up to seven (7) hours, at an agreed upon location or virtually if in-person attendance is not possible or not desirable, and provide at that meeting a reasonably detailed description of the principal facts known to Tyson that are responsive to Interim Co-Lead Counsel's reasonable follow up questions flowing from the Opening Proffer (the "Follow Up Proffer"), inclusive of the Bates Numbers of documents identified during the Follow Up Proffer; (d) Tyson shall use reasonable efforts to obtain up to five (5) declarations from then-current Tyson employees to establish facts Interim Co-Lead Counsel learns from the Opening Proffer or the Follow Up Proffer; (e) Tyson will use reasonable efforts to assist Plaintiffs in authenticating documents and/or things produced in the Action where the facts indicate that the documents and/or things at issue are authentic, whether by declarations or affidavits, or, if declarations or affidavits are not reasonably sufficient, depositions, hearings, and/or at trial(s) as may be necessary for the Action; (f) Tyson shall not oppose or object to depositions as follows: (i) depositions

**EXECUTION VERSION**

of up to four (4) then-current Tyson employees, with aggregate deposition time for Plaintiffs across those four (4) depositions not to exceed twenty (20) hours, and (ii) one 30(b)(6) deposition, with up to seven (7) hours of deposition time for Plaintiffs for that 30(b)(6) deposition; (g) Tyson will use its reasonable efforts to produce up to three (3) then-current Tyson employees as witnesses live at any trial of Plaintiffs' claims in the Action; and (h) Tyson will consider reasonable requests for additional relevant information about Plaintiffs' claims in the Action from Interim Co-Lead Counsel, taking into account the information it has or will produce in discovery, and whether providing the requested information will be burdensome.

- c. Admissibility and Privilege: Any statements made by Tyson's counsel in connection with cooperation, including the cooperation envisioned by Paragraphs 10.b.(b)-(c), shall be deemed to be "conduct or statements made during compromise negotiations about the claims" and shall be inadmissible in evidence as provided under Federal Rule of Evidence 408 and state-law equivalents. In the event, for whatever reason, this Settlement Agreement is rescinded, canceled, or terminated, or the Settlement Agreement is not approved by the Court, such inadmissibility shall survive. Further, no cooperation shall require Tyson to provide information protected by the attorney-client privilege, attorney work-product doctrine, or similar privileges, and Tyson shall not waive any protections, immunities, or privileges.

**EXECUTION VERSION**

- d. Confidentiality: All non-public data, documents, information, testimony, and/or communications provided to Interim Co-Lead Counsel as part of cooperation, if so designated by Tyson, shall be treated as “Confidential” or “Highly Confidential” under the protective order in the Action.

11. Qualified Settlement Fund. The Parties agree to treat the Settlement Fund as being at all times a Qualified Settlement Fund within the meaning of Treas. Reg. § 1.468B-1, and to that end, the Parties shall cooperate with each other and shall not take a position in any filing or before any tax authority that is inconsistent with such treatment. In addition, Interim Co-Lead Counsel shall timely make such elections as necessary or advisable to carry out the provisions of this Paragraph 11, including the relation-back election (as defined in Treas. Reg. § 1.468B-1(j)) back to the earliest permitted date. Such elections shall be made in compliance with the procedures and requirements contained in such regulations. It shall be the responsibility of Interim Co-Lead Counsel to timely and properly prepare and deliver the necessary documentation for signature by all necessary parties, and thereafter to cause the appropriate filing to occur. All provisions of this Settlement Agreement shall be interpreted in a manner that is consistent with the Settlement Funds being a “Qualified Settlement Fund” within the meaning of Treas. Reg. § 1.468B-1. Interim Co-Lead Counsel shall timely and properly file all information and other tax returns necessary or advisable with respect to the Settlement Fund (including without limitation the returns described in Treas. Reg. § 1.468B-2(k), (1)). Such returns shall reflect that all taxes (including any estimated taxes, interest, or penalties) on the income earned by the Settlement Fund shall be paid out of the Settlement Fund. Tyson shall not be responsible for the filing or payment of any taxes or expenses connected to the Qualified Settlement Fund.

**EXECUTION VERSION**

12. Distribution of Settlement Fund to Settlement Class. Members of the Settlement Class shall be entitled to look solely to the Settlement Fund for settlement and satisfaction of the Settlement Agreement or in connection with any of the Released Claims against the Tyson Released Parties, and shall not be entitled to any other payment or relief from the Tyson Released Parties. Except as provided by order of the Court, no member of the Settlement Class shall have any interest in the Settlement Fund or any portion thereof. Plaintiffs, members of the Settlement Class, and their counsel shall be reimbursed solely out of the Settlement Fund for all expenses including, but not limited to, attorneys' fees and expenses, and the costs of notice of the Settlement Agreement to potential members of the Settlement Class. Tyson and the other Tyson Released Parties shall not be liable for any costs, fees, or expenses of any of Plaintiffs' counsel, including Interim Co-Lead Counsel and Settlement Class Counsel, experts, advisors, or representatives, but all such costs and expenses as approved by the Court shall be paid out of the Settlement Fund.

13. Fee Awards, Costs and Expenses, and Incentive Payments to Plaintiffs. Consistent with any schedule approved by the Court, Interim Co-Lead Counsel may apply to the Court for a fee award, plus expenses, and costs incurred, and incentive payments to the Plaintiffs to be paid from the proceeds of the Settlement Fund. The Tyson Released Parties shall have no responsibility, financial obligation, or liability for any such fees, costs, expenses, or incentive payments beyond the Settlement Fund.

14. Release. Upon Final Judgment, the Releasing Parties shall be deemed to have, and by operation of law and of the judgment shall have fully, finally, and forever completely compromised, settled, released, acquitted, resolved, relinquished, waived, and discharged the Tyson Released Parties from any and all claims, demands, actions, suits, causes of action,

**EXECUTION VERSION**

whether class, individual, or otherwise in nature (whether or not any member of the Settlement Class has objected to the Settlement Agreement or makes a claim upon or participates in the Settlement Fund, whether directly, representatively, derivatively, or in any other capacity), that the Releasing Parties ever had, now have, or hereafter can, shall, or may ever have, on account of, or in any way arising out of, any and all known and unknown, foreseen and unforeseen, suspected or unsuspected, actual or contingent, liquidated or unliquidated claims, causes of action, injuries, losses, or damages arising from or in connection with any act or omission through the date of Preliminary Approval relating to or referred to in the Action or arising from the factual predicates of the Action (the “Released Claims”). Notwithstanding the above, “Released Claims” do not include (i) claims asserted against any Defendant or alleged Co-Conspirator other than the Tyson Released Parties, nor (ii) any claims wholly unrelated to the allegations in the Action that are based on breach of contract, any negligence, personal injury, bailment, failure to deliver lost goods, damaged or delayed goods, product defect, a securities claim, or breach of warranty. This reservation of claims set forth in (i) and (ii) of this paragraph does not impair or diminish the right of the Tyson Released Parties to assert any and all arguments and defenses to such claims, and the Parties agree that all such arguments and defenses are preserved. During the period after the expiration of the deadline for submitting an opt-out notice, as determined by the Court, and prior to Final Judgment, all Releasing Parties who have not submitted a valid request to be excluded from the Settlement Class shall be preliminarily enjoined and barred from asserting any and all Released Claims against any and all of the Tyson Released Parties. The release of the Released Claims shall become effective as to all Releasing Parties upon Final Judgment. Upon Final Judgment, the Releasing Parties further

**EXECUTION VERSION**

agree that they shall not assert any claim, directly or indirectly, against the Tyson Released Parties arising out of or relating to the Released Claims.

15. Further Release. In addition to the provisions of Paragraph 14, the Releasing Parties hereby expressly waive and release, solely with respect to the Released Claims, upon entry of Final Judgment, any and all provisions, rights, and benefits conferred by Section 1542 of the California Civil Code, which states:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY;

or by any law of any state or territory of the United States, or principle of common law, which is similar, comparable, or equivalent to Section 1542 of the California Civil Code, including without limitation Section 20-7-11 of the South Dakota Codified Laws (providing “A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR”). Each Releasing Party may hereafter discover facts other than or different from those which he, she, or it knows or believes to be true with respect to the claims which are released pursuant to the provisions of Paragraph 14, but each Releasing Party hereby expressly waives and fully, finally, and forever settles and releases, upon entry of Final Judgment, any known or unknown, suspected or unsuspected, contingent or non-contingent claim that the Releasing Parties have agreed to release pursuant to Paragraph 14, whether or not concealed or hidden, without regard to the subsequent discovery or existence of

**EXECUTION VERSION**

such different or additional facts. The foregoing release of unknown, unanticipated, unsuspected, unforeseen, and unaccrued losses or claims is contractual, and not a mere recital.

16. Covenant Not to Sue. Plaintiffs and each Releasing Party covenant not to sue, directly or indirectly, in any forum any of the Tyson Released Parties for any transaction, event, circumstance, action, failure to act, or occurrence of any sort or type arising out of the Released Claims, including, without limitation, seeking to recover damages relating to any of the Released Claims. This Paragraph shall not apply to any action to enforce this Settlement Agreement.

17. Full Release. The Parties expressly agree that they intend for Paragraphs 14-16 to be interpreted as broadly as possible and to the fullest extent permitted by law.

18. Non-Disparagement. The Parties agree they shall not disparage, criticize, or denigrate one another or their claims or defenses, such as by making public statements that disparage either of the Parties or their conduct alleged in or in connection with the Action. For clarity, and not by way of limitation, statements by Plaintiffs in court proceedings and otherwise that Tyson's conduct as alleged in the Complaint was anticompetitive, and statements by Tyson in court proceedings and otherwise that it does not believe Plaintiffs' claims have merit shall not be considered disparagement under this provision. This non-disparagement provision shall not apply to Opt-Out Growers, as defined in the Confidential Supplement hereto, or to subsequent litigation relating to the Action and/or arising from the factual predicates of the Action.

19. No Admission of Wrongdoing or Liability. Neither this Settlement Agreement (regardless of whether it receives Preliminary Approval or Final Approval), nor the Final Judgment, nor any and all negotiations, documents, or discussions associated with them, nor any proceedings undertaken in accordance with the terms set forth herein, shall be deemed or construed as (i) an admission or concession of liability, wrongdoing, or violation of any statute

**EXECUTION VERSION**

or law, or (ii) used as evidence of liability, wrongdoing, or violation of any statute or law, for any purpose in any legal proceeding in any forum, claim, regulatory or administrative investigation or proceeding, or government investigation or proceeding.

20. This Settlement Agreement constitutes a binding, enforceable agreement as to the terms contained herein when executed.

21. Tyson's Right to Rescind. Tyson shall have the right to rescind and withdraw from the Settlement Agreement under the terms of the Confidential Supplement.

22. Effect of Disapproval or Rescission. If the Court does not certify the Settlement Class as defined in this Settlement Agreement, or if the Court does not approve this Settlement Agreement in all material respects, or if the Court does not enter Final Approval as provided for in Paragraph 7 herein, or if any order approving this Settlement Agreement is materially modified or set aside on appeal, or if Tyson exercises its rescission rights pursuant to Paragraph 21, or if all of the conditions for Final Judgment do not occur as set forth in Paragraph 1.n of this Settlement Agreement, then this Settlement Agreement may be rescinded, canceled, or terminated by Tyson or Plaintiffs on behalf of the Settlement Class. If rescinded, canceled, or terminated, this Settlement Agreement shall become null and void, and, with the exception of any Settlement Funds used for notice purposes pursuant to Paragraph 6.c, the Settlement Fund, including any attorneys' fees, costs, and incentive payments that may have been disbursed pursuant to Court approval, shall be returned to Tyson and the Parties' position shall be returned to the status quo ante. In no way shall Plaintiffs have the right to rescind, cancel, or terminate this Settlement Agreement if the Court fails or refuses to grant any requested attorneys' fees, costs, expenses, or awards to Plaintiffs.

**EXECUTION VERSION**

23. Choice of Law. All terms of this Settlement Agreement and the Confidential Supplement, including any related disputes, shall be governed by interpreted according to the substantive laws of the State of New York without regard to its choice-of-law or conflicts-of-law principles.

24. Consent to Jurisdiction. The Parties and any Releasing Parties hereby irrevocably submit to the exclusive jurisdiction of the Court for any suit, action, proceeding, or dispute arising out of or relating to this Settlement Agreement or the Confidential Supplement, or the applicability of this Settlement Agreement or the Confidential Supplement. Without limiting the generality of the foregoing, it is hereby agreed that any dispute concerning the provisions of Paragraphs 14-16, including but not limited to, any suit, action, or proceeding in which the provisions of Paragraphs 14-16 are asserted as a defense in whole or in part to any claim or cause of action or otherwise raised as an objection, constitutes a suit, action, or proceeding arising out of or relating to this Settlement Agreement. In the event that the provisions of Paragraphs 14-16 are asserted by any Tyson Released Party as a defense in whole or in part to any claim or cause of action or otherwise raised as an objection in any suit, action or proceeding, it is hereby agreed that such Tyson Released Party shall be entitled to a stay of that suit, action, or proceeding until the Court has entered a final judgment no longer subject to any appeal or review determining any issues relating to the defense or objection based on such provisions. Solely for purposes of such suit, action, or proceeding, to the fullest extent that they may effectively do so under applicable law, the Parties and any Releasing Parties irrevocably waive and agree not to assert, by way of motion, as a defense or otherwise, any claim or objection that they are not subject to the in personam jurisdiction of the Court. Nothing shall be construed as a submission to jurisdiction

**EXECUTION VERSION**

for any purpose other than enforcement of this Settlement Agreement or the Confidential Supplement.

25. Class Action Fairness Act. Within ten (10) days of filing of this Settlement Agreement in Court with the motion for Preliminary Approval referenced in Paragraph 4, Tyson, at its sole expense, shall (i) serve upon appropriate Federal and State officials all materials required pursuant to CAFA, and (ii) confirm to Plaintiffs' Interim Co-Lead Counsel that such notices have been served.

26. Costs Relating to Administration. The Tyson Released Parties shall have no responsibility or liability relating to the administration, investment, or distribution of the Settlement Funds.

27. Binding Effect. This Settlement Agreement constitutes a binding, enforceable agreement as to the terms contained herein. Each and every covenant and agreement in this Settlement Agreement shall be binding upon, and inure to the benefit of, the successors, assigns, and heirs of the Parties, members of the Settlement Class, the Releasing Parties, and the Tyson Released Parties. Without limiting the generality of the foregoing, upon certification of the Settlement Class and Final Approval, each and every covenant and agreement herein by the Plaintiffs shall be binding upon all members and potential members of the Settlement Class and Releasing Parties who have not validly excluded themselves from the Settlement Class.

28. Sole Remedy. This Settlement Agreement shall provide the sole and exclusive remedy for any and all Released Claims against any Tyson Released Party, and upon entry of Final Judgment, the Releasing Parties shall be forever barred from initiating, asserting, maintaining, or prosecuting any and all Released Claims against any Tyson Released Party.

**EXECUTION VERSION**

29. Counsel's Express Authority. Each counsel signing this Settlement Agreement on behalf of a Party or Parties has full and express authority to enter into all of the terms reflected herein on behalf of each and every one of the clients for which counsel is signing.

30. It is agreed that this Settlement Agreement shall be admissible in any proceeding for establishing the terms of the Parties' agreement or for any other purpose with respect to implementing or enforcing this Settlement Agreement.

31. Notices. All notices or communications by any Party intended for any other Party related to this Settlement Agreement shall be in writing. Each such notice or communication shall be given either by: (a) hand delivery; (b) registered or certified mail, return receipt requested, postage pre-paid; (c) Federal Express or similar overnight courier; or (d) electronic mail, and, in the case of either (a), (b), (c) or (d) shall be addressed as follows:

32. No Admission. Whether or not Preliminary Approval is granted, Final Judgment is entered or this Settlement Agreement is terminated, the Parties expressly agree that this Settlement Agreement and its contents, and any and all statements, negotiations, documents, and discussions associated with it, are not and shall not be deemed or construed to be an admission of liability by any Party or Tyson Released Party.

33. No Unstated Third-Party Beneficiaries. No provision of this Settlement Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Tyson Released Party, Plaintiff, member of the Settlement Class, Interim Co-Lead Counsel, or Settlement Class Counsel.

34. No Party is the Drafter. None of the Parties hereto shall be considered to be the drafter of this Settlement Agreement or any provision hereof for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter thereof.

**EXECUTION VERSION**

35. Amendment and Waiver. This Settlement Agreement shall not be modified in any respect except by a writing executed by the Parties, and the waiver of any rights conferred hereunder shall be effective only if made by written instrument of the waiving Party. The waiver by any Party of any particular breach of this Settlement Agreement shall not be deemed or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, of this Settlement Agreement.

36. Breach. This Settlement Agreement does not waive or otherwise limit the Parties' rights and remedies for any breach of this Settlement Agreement. Any breach of this Settlement Agreement may result in irreparable damage to a Party for which such Party will not have an adequate remedy at law. Accordingly, in addition to any other remedies and damages available, the Parties acknowledge and agree that the Parties may immediately seek enforcement of this Settlement Agreement by means of specific performance or injunction, without the requirement of posting a bond or other security.

37. Execution in Counterparts. This Settlement Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute a single agreement. Facsimile or .pdf signatures shall be considered as valid signatures as of the date hereof and may thereafter be appended to this Settlement Agreement and filed with the Court.

38. Integrated and Final Agreement. This Settlement Agreement comprises the entire, complete, and integrated agreement between the Parties, and supersedes all prior and contemporaneous undertakings, communications, representations, understandings, negotiations, and discussions, either oral or written, between the Parties. As set forth in Paragraph 35, the Parties agree that this Settlement Agreement may be modified only by a written instrument

**EXECUTION VERSION**

signed by the Parties. The Parties further agree that no Party shall assert any claim against another based on any alleged agreement affecting or relating to the terms of this Settlement Agreement not in writing and signed by the Parties.

39. Voluntary Settlement. The Parties agree that this Settlement Agreement was negotiated at arm's length and in good faith by the Parties, and reflects a settlement that was reached voluntarily after consultation with competent counsel, and no Party has entered this Settlement Agreement as the result of any coercion or duress.

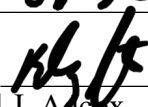

40. Confidentiality. The Parties agree to continue to maintain the confidentiality of all settlement discussions and materials exchanged during the settlement negotiation, including the Confidential Supplement. However, Tyson and Plaintiffs can each inform other parties to this Action that they have reached a settlement agreement, the amount of the settlement, and the cooperation provided for in this Settlement Agreement. Irrespective of any term in this Settlement Agreement, the Parties agree that Plaintiffs, their counsel, Interim Co-Lead Counsel, and Settlement Class Counsel shall not share any material learned pursuant to Paragraph 10 with any other plaintiff or plaintiff group in this Action or any other action (unless authorized by Tyson). Nothing in this Settlement Agreement prevents or limits in any way Tyson from defending itself against claims brought by other plaintiffs or claimants.
